FYI - I forwarded your name and number to John Fuller with Zinke's office. Good guy, if you haven't met him yet. I'll be back in the office on Wednesday. Good luck with keeping CFAC "low key".

Dear Ms. Thomas,

Haley Beaudry, working w/Columbia Falls Aluminum Co. came to us requesting assistance in getting someone at EPA to take his phone call. If you would be so kind as to give me a name and number of someone I can talk with so I can improve the lines of communication between CFAC and EPA, I would be grateful. Since I know that deep in your heart you want to retire to Montana, I'm reaching out to you. Also, I don't know anyone else at EPA and our office feels that this issue is best served in a low key fashion.

Thank you in advance for diverting some of your busy schedule.

Sincerely,

John Fuller

Northwest Montana Field Director

Congressman Ryan Zinke
